DE MONTRÉAL**

PRESS RELEASE

For immediate release

**New executive director at the
Montreal Heart Institute**

Montreal, April 27, 2004 –The Board of Directors of the Montreal Heart Institute is pleased to announce the appointment of **Mr. Robert Busilacchi** as executive director of the Institute. Mr. Busilacchi will take up his duties on Monday, May 10, 2004, replacing Mr. André Ducharme, now serving as interim executive director of the Institute.

Mr. Busilacchi brings with him a wealth of management experience as executive director of a hospital centre; he has also spent six years working in this capacity at the Centre hospitalier universitaire de Québec. At present, he is visiting assistant director and assistant researcher and teacher at the Centre hospitalier universitaire de Bordeaux.

During his 30 years of working in the health sector in different regions of Québec, Mr. Busilacchi has developed working relationships with all the players in the health care network. During his years at the Centre hospitalier universitaire du Québec, he has also become familiar with the workings of the university and research milieus.
